PRELIMINARY AMENDMENT

Dear Sir:

The Applicant hereby requests this amendment be entered into and considered in the above-identified application.

Please amend the claims as follows:

1. (amended) A protective device for dispensing devices which have a document feed path opening for dispensing printed documents, said protective device comprising:

[means for covering at least the document feed path opening of the dispensing device;

and

means for providing access to the document received from the dispensing device]

a hood having [a top portion forming an enclosure over the document feed path opening

and opening into said means for providing access; and
